Logan Harper isn't looking for redemption. He just wants to live in peace and forget his troubled past. But one morning his quiet life is upended when he interrupts the attempted murder of his father's best friend Tooney.

The next thing Logan knows, he's on his way to Los Angeles, searching for Tooney's missing granddaughter and uncovering a sinister plot connected not only to Tooney's Burmese past, but also to the boardrooms of corporate America. As the odds stack up against him, Logan must fall back on old skills from the life he'd rather forget.

He's made a promise, and the only way to fulfill it is to bring the girl home alive.
