Message Outlines VII (Mesasage Outlines Book 7) Gerald Woodruff

This is the seventh in this publishing and I enjoy doing it. I rarely use an outline twice. I prefer to let the Holy Spirit speak to me afresh every week and know that I must continually study the Word of God. I would like to have in hand a guide of what has been preached and something that I can put in my hand and look at. I must give credit to the Holy Spirit for this work. You will notice that "I" is used a lot in this forward. Every Pastor that is worth his price will acknowledge the Holy Spirit has guided him into the truth. I also acknowledge His direction in the preaching of the Gospel in my life and the life of our Church

I am sharing this seventh volume of outlines as a study guide for anyone who cares to use them. They are the results of the preaching at Old Fashioned Baptist Church where I am currently serving. A band of Believers started this church in 2009 and this is the seventh year of Sunday Morning Messages to be published.

I hope that they will give you a direction in your study of the Scripture. In some, you will find my preaching notes and in others just the outline and the Scripture used. Having studied God's Word since my youth some of the Scripture used were used by memory and are not in the outline. I trust that as you study, you will allow the Holy Spirit to bring those appropriate Scripture to make these outlines live.

Some would say that this book of outlines is for the Pastor. I would suggest to you that the meditation, memorization, and the study of God's Word are the Believer's responsibility. This book is a guide to both;

Joshua 1:8 This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success.

Psalms 119:11 Thy word have I hid in mine heart, that I might not sin against thee

2 Timothy 2:15 Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

Some of the outlines are listed by the reference and some are listed by the topic or the title. These outlines are for your investigation. So they are not changed from the original file. Except that I have not used abbreviations in the book and do in my outlines for space. I have included extra space for your notes. Also you will find some contain notes and others do not. It is an adventure for you after all.

All the poetry is mine and I have added a couple of funeral messages as they are messages by definition.

Now it is completely up to you as to whether this is a help to you.

Please, use these outlines to enhance your study and if you are a Pastor or a teacher; to enhance your preaching and teaching. It would be a thrill to me to have these live again and continue to be useful. I am not the last word in these outlines. You can be. Success
