Ridiculous Miracles: God Can Take an Ordinary Person and Do Extraordinary Things Clarice Fluitt
Ridiculous Miracles is an amazing accounting of verified miracles and experiences that will astound and increase your faith in God's resident power within you. In this book you will learn how God can take an ordinary person to do extraordinary things. You will be challenged, charged, and changed. The author has skillfully woven the remarkable chronicles of hilarious real-life stories, tragic trials, and testings of her life into a supernatural tapestry that present an authentic picture of the life of a modern day miracle worker. Reports of amazing miracles and healings with positive life changing evidence continually follow her. Each of us contains within us an army of words waiting to be summoned for either war or peace. Dr. Fluitt has presented her reader with a masterful "antidote" to negative attitudes. She clearly explains that, if we want to see the supernatural manifest in our lives, we must order our conversation to agree with God! (Psalm 50:23, Whoever offers praise glorifies Me; and to him who orders his conversation aright I will show the salvation of God). KJV If you are an individual desiring the realm of the supernatural, then you will systematically choose to embrace change in your conversation, countenance, and conduct. This is the force of agreement that will make you unstoppable!
