Wiley GAAP for Governments 2004: Interpretation and Application of Generally Accepted Accounting Principles for State and Local Governments Warren Ruppel

A practical application guide to ensure governmental GAAP compliance. In applying Governmental GAAP (Generally Accepted Accounting Principles), state and local government officials face a potential maze of complexity. Wiley GAAP for Government 2004 addresses the latest material from the Government Accounting Standards Board and AICPA in straightforward language for practical application. Coverage includes much-needed analysis and clarification of statements, interpretations, and technical bulletins, as well as special consideration of school districts, public authorities, and individual pension plans. Written for use by practitioners, this book represents an up-to-date companion for implementing these new accounting pronouncements. Warren Ruppel is the assistant comptroller responsible for the accounting and financial reporting for one of the largest cities in the country.
