Reid Alexander is used to getting what he wants - and what he wants next is his newest costar, Emma Pierce. The universe is lining up nicely to grant his wish, until he's confronted with two unexpected obstacles on location: a bitter ex-girlfriend and a rival for Emma's affections.

Emma Pierce just got her big break after years of filming commercials and made-for-TV movies. Winning the lead role in a wide-release film - opposite the very hot Reid Alexander - should be a dream come true. But Emma's heart is hiding a secret fantasy: she wants to be a *normal girl*.
