Manual Washington De Medicina Interna Ambulatoria VARIOS AUTORES

Esta es la 1.^a edición del Manual Washington de medicina interna ambulatoria, texto que nace con la vocación de ser un complemento de la 33.^a edición del Manual Washington de terapéutica médica y que, siguiendo la tradición de los manuales Washington, ha sido elaborado íntegramente por especialistas que ejercen en el Barnes-Jewish Hospital de la Washington University School of Medicine. El texto se centra casi exclusivamente en la práctica de la medicina interna en el medio ambulatorio, y proporciona información de referencia para los problemas médicos de cada subespecialidad médica en este ámbito. Sin embargo, y dado que muchos de los problemas que se ven en el medio ambulatorio quedan fuera de las tradicionales subespecialidades de la medicina interna, se han incluido adicionalmente algunos capítulos sobre dermatología, neurología, oftalmología, otorrinolaringología y psiquiatría.
