From pick-up secrets to mind-blowing sex, everything a guy needs to give and receive perfect pleasure.

One of the most recognizable names in porn, Adam Glasser has slept with more than six hundred women, on and off camera. In his first book, this professional Casanova reveals the naked truth about getting laid, addressing the nitty-gritty questions that amateur sexperts never even thought to ask.

Rock Her World features three sections (About You, About Her, About Sex) that cover everything a man needs to know about male and female anatomy, with eye-opening explanations of a woman's orgasm, and surprising findings about what women really want in bed. From foreplay and oral sex to intercourse, all aspects of sex are demystified. The details of contraception, sex toys, anal sex, spanking, and the art of seduction are hammered home alongside hilarious anecdotes from Glasser's career (including one peculiar costar's climax-control technique). Fleshed out with illustrations (both instructional and comical), *Rock Her World* gives every man a chance to learn the art of world-class lovemaking from a legendary insider.
