George gives me a quick peck on the lips, but all I can think about is Adam's tongue in my mouth. Adam. The best man.

In college, Emily and Adam shared a scorching hot moment in a stairwell that she's never been able to forget. Now, ten years later, Emily is marrying George, and Adam is the best man. Seeing him again after all these years brings back old feelings that cause Emily to rethink her entire life. After another intense encounter the night before the wedding, her desire for Adam is unstoppable. But what to do about the wedding? Does she really want to marry George? Does George really want to marry her? Or should she throw it all away for a chance at true passion with Adam?

This short erotic tale is approximately 6,600 words, and should be appreciated by anyone who's ever had the urge to throw a sexy man in a closet and go to town on him.
