**\*\* What happens when a man in power needs to discipline one of his own? \*\***

Trevor Banks was the esteemed Senator for his small Midwestern state. He was also an insatiable **alpha male** with a lust for anything having to do with pleasures of the flesh. His wife was a sophisticated woman whose mere presence brought dignity to Trevor's high office. Trevor refused to subject her to his darkest desires, and instead goes outside of his marriage to satisfy his most primal needs...

Julie was an enterprising intern, determined to climb her way up the political ladder. When she scored a position with the handsome Senator Banks she thought she was the luckiest girl in the world. She takes every opportunity to tell him she will do **anything and everything** he asks of her in order to ensure his political success.

When Trevor finds out Julie has not been honest with him about her background he decides she must be punished. He knows she has been far too aroused by his discipline in the past. What can he do this time to ensure she will not disappoint him again?

**\*\* This book includes steamy scenes of adult relationships meant for mature readers - if you are not offended by the twisted desires of men in high political office, then please enjoy! \*\***

**This book also includes a bonus story from my *Sister-in-Law Submissive* series - enjoy ;)**
