The Unlimited Sparks of a Bonfire eChapter 3: Healing Family Betrayal, Dominance, and Power Struggles Molly McCord

Through two different soul experiences, a man learns his true Divine Masculine power as he is faced with repeating situations of betrayal, manipulation, and deception that threaten to destroy everything he loves - twice.

As he struggles with his desire to do what is right and to follow his intention to trust himself, he comes up against his own dark demons and the toughest dilemma of his life: What if his greatest power is found in walking away from an ongoing power struggle? Or will that choice only lead to his demise all over again?

Includes spiritual perspectives on Separation Consciousness, Shadow Masculine Energy, Shadow Self Connections, Interacting Consciously with Another's Shadow, Initiating Integrity into Karmic Relationships, A Gateway to Higher Consciousness, and Reincarnation Retracking.

This complete story with spiritual teachings is a single chapter from the full version of "The Unlimited Sparks of a Bonfire":

Peace. Forgiveness. Adventure. Compassion. Love. Healing. Consciousness. Abundance.

From the frostbite blizzards of St. Petersburg to the warm tropical breezes of Hawaii; from an isolated barren desert in Africa to a quiet French village on the outskirts of civilization; and from the extreme conditions under a bustling geisha house to a heroine's grand transformation along the banks of the Nile, get ready for an inspiring collection of soul-evolving experiences.

Your Soul is composed of layers and imprints of wisdom that are all ready to be embraced now – but are you looking in the right places? Do you see what is currently present in yourself as messages about your power? Are you connecting with the truth of who you truly are and owning the beauty of your limitless Soul?
