## **Born To Kvetch: Yiddish Language and Culture in All of its Moods** Michael Wex

A delightful excursion through the Yiddish language, the culture it defines and serves, and the fine art of complaint. Throughout history, Jews around the world have had plenty of reasons to lament. And for a thousand years, they've had the perfect language for it. Rich in color, expressiveness, and complexity, Yiddish has proven incredibly useful and durable. Its wonderful phrases and idioms impeccably reflect the mind-set that has enabled the Jews of Europe to survive a millennium of unrelenting persecution . . . and enables them to kvetch about it! Michael Wex—professor, scholar, translator, novelist, and performer—takes a serious yet unceasingly fun and funny look at this remarkable kvetch-full tongue that has both shaped and has been shaped by those who speak it. Featuring chapters on curse words, food, sex, and even death, he allows his lively wit and scholarship to roam freely from Sholem Aleichem to Chaucer to Elvis. Perhaps only a khokhem be-layle (a fool, literally a "sage at night," when there's no one around to see) would care to pass up this endearing and enriching treasure trove of linguistics, sociology, history, and folklore—an intriguing appreciation of a unique and enduring language and an equally fascinating culture.

#### **Karen Saldivar:**

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful images on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Born To Kvetch: Yiddish Language and Culture in All of its Moods can make you sense more interested to read.
