It is always fun to go to the beach, and it's no different in Germany. Take a walk with Photographer John D. Weigand and award winning author, attorney and former teacher, Penelope Dyan through the quaint streets of Warnemunde, Germany. In Spring it is still cool, but you can go to the beach, play, shop, eat lots of sweet treats and see so many things. You will walk on cobblestone streets, an see flowers and birds and many other interesting things. Visit an historic lighthouse and learn all about the history of this wonderful place. You can take a train to Berlin from this city, or you can just go down to the train station and watch the trains come in and out. If you want to feel exactly like you are the little mermaid just coming out of the sea, this is the place you want to see. Then again, perhaps you are the handsome prince. And if you ARE the little mermaid, please do not turn into sea foam and disappear into the sea.
