Wolf's-own: Weregild Carole Cummings
2nd Edition

Wolf's-own: Book Two

The amorality of gods makes it hard to tell bad from good and right from wrong. Fen Jacin-rei doesn't care. All Fen cares about is saving his family, and he'll sacrifice anything that gets in his way. Including his own soul.

No longer willing to wait for the machinations of the gods' minions, Fen accepts the trade Kamen Malick offers. Together they set out to rescue Fen's family and kill the man who betrayed them. But Fen is an Untouchable, one whose mind hosts the spirits of long-dead magicians, and with Voices of the Ancestors screaming in his head, Fen finds it harder and harder to stave off madness.

Malick has his own reasons to hand over everything Fen wants and equally compelling reasons to withhold everything Fen needs. In over his head with his timing as bad as ever, Malick must devise a way to do his god's bidding without breaking his god's laws—and keep Fen sane and on Malick's side in the bargain.
