## A Child's Questions to God: Simple Answers to Eternal Life's Questions

Children have an amazing way of breaking down life's toughest questions. Sometimes we can answer them but sometimes we can't. Turning to God's Word is the instruction manual for how life on Earth works. Each page of this book contains a real question asked by my own 2 children. Following the question is a simple illustration, applicable Scripture, and a brief and to the point answer to each question. Children, new believers, and even those mature in their faith can appreciate the innocence and sincerity behind every question.
