Forced Behind Bars - The Complete Series: First Time Gay Prison Romance (Locked Up and Used Hard) I.M. Cockman

Nick has had a bad year, and the next one is going to be even worse.

He's lost his job and been served with divorce papers by his wife, all after being **wrongfully convicted** of a white collar crime. Due to an error in the system Nick has been sentenced to do twelve months of **hard time** in a violent State Prison instead of the minimum security facility his lawyer told him to expect.

Nick hires Brett, a **gay former MMA fighter** turned personal trainer, to help him prepare to defend himself once he's **forced behind bars**. As his incarceration date approaches, Nick still doesn't feel ready or able to protect himself in the harsh environment he's about to enter.

Nick will need to look for protection on the inside, and on his last day of training he asks Brett to help him prepare in a different way.

He'd rather take his **hard first-time lesson** by choice rather than force, and Nick finds himself **doing things he'd never imagined he'd do**. And liking it. Once he's **forced behind bars**, though, the reality of prison life is even more **brutal** and **dangerous** than Nick's worst fears...

***PLEASE TAKE NOTE:** FORCED BEHIND BARS - THE COMPLETE SERIES contains strong language, violence, and descriptions of hot, graphic, sexual situations before arriving at its happy ending. This **SHORT READ** is intended for mature 18+ audiences only. If you are looking for a longer read, or are offended by such material, this is not the story for you... but if you like hot romance featuring straight men forced to face their gay nature to find true love, please dive right in!*
