Here, twenty-one of Ireland's leading creative thinkers and problem-solvers rip up the rulebook and start again, presenting a new vision for Ireland. They cover a diverse range of topics that affect Irish lives, from art to Diaspora, religion to research and, of course, banking. These are tomorrow's leaders. The future is bright. This is a book about being Irish, about being resilient and, as surprising as it may sound, about overcoming current hardships and standing as a model for other countries to follow.
