A Superb Introduction To Limericks For Younger Children

The Alphabet In Limericks is an A-Z of limericks, one for each letter of the alphabet and each attaching to a child's name. Like all of the best limericks the topic of each verse in this collection is unpredictable and fun.

Simple, Colorful Illustrations Add To The Fun

The author has teamed up with an illustrator who specializes in very simple pictures, which are brought to life in vivid, primary colors. Each Limerick, as well as being differentiated by a new letter of the alphabet, is also color themed to bring extra fun to viewing each new page.

Although, the alphabet motif suggests that the limericks must be purely for the youngest age group, there is no doubt that these verses will be enjoyed by all ages; certainly by children aged 6-11 and even older.

If you want to help build a love of poetry into your child's education, or just want to share the fun of the limerick form take a chance on this great collection of fun verses.
