**The Blurting Beetles of Baloogo Loogo (Super Monkey Group Book 1)** Mathew Ferguson

Twelve-year-old friends, Tia and Max, and the last golden monkey, Po, fight against Toran, an amoral gourmet who eats endangered species to extinction.

He's looking for a *\*very\** final meal ...

“There will be garlic, white wine and a light cream sauce,” said Toran to the frightened beetles. He loomed over them, his long face shadowed and demonic.

“And there will be ... you.”

Evil gourmet Toran Hollergod has another almost-extinct species planned for his plate: The Blurting Beetles of Baloogo Loogo. With his trusty henchman, Hench, he's ready for dinner.

Only Super Monkey Group stand in the way.

Tia, Max and Po can stop him ... right? Sure they've got the help of techowiz Cornelius, but he's half a world away.

And Island Baloogo Loogo is no peaceful tropical paradise.

Featuring Exploding Cactus Corn, hungry Ligers, Red Goop, Sugar Slugs and Bolliverger's Old, a cheese so disgusting it can knock you out, saving a hundred beetles from the frying pan isn't going to be easy ...
