As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some publication, they are complained. Just tiny students that has reading's heart or real their interest. They just do what the professor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this The Mystery of the Queen's Necklace (Trixie Belden) by Kathryn Kenny (1979-10-01) can

make you feel more interested to read.
