## **Do You Want to Live on Less?**

### **Would you like to learn how from someone who actually does?**

I had to learn fast.

I had to support those kids on a fast food paycheck while I put myself through school.

Since then I have not only quit my day job but I have built up sufficient writing income to become a single stay-at-home mother to my youngest child. This feat would not have been possible without the frugality of shoestring living.

## **We live well on about \$500 a month - and know how to live on even LESS!**

The first thing I always shared were the timeless words of my grandmother. Even now I can hear her reminding me to hold up my head because...
