## **A Guide Through the New Testament** Celia B. Sinclair

This guide to the New Testament, like its companion volume, *A Guide Through the Old Testament*, combines the background information of a textbook with the format of a workbook to create a unique resource for studying the New Testament. By eliciting as much active response from the reader as possible, Celia Sinclair provides the basis for personal hands-on study, direct reading of the scripture (including Old Testament references where appropriate), and a study guide for group discussion.
