## **How to Let Go and Let God** Regina Baker

How To Let Go and Let God is a message of personal pain and how the author sought God for the peace only He can promise. Letting go and letting God, means to “cast all your cares” to God. Whether it's a relationship, job, friendship, passing of a loved one, this book will give you suggestions on exactly what you need to do to let go, let God. Are you in an adulterous relationship and need to let go? Did you pray about something and still find yourself worrying about it, even when you thought you let go? Are you wondering how do I let go and let God?

“An awe inspiring book on “How to Let Go and Let God.” Her vulnerability to share personal pain will melt the hearts of every reader. Her genuine understanding that fixes to life’s challenges don’t come without process, will open up the eyes of many. Lastly, Regina demonstrates that by letting go and letting God, we are destined to see His awesome power working on our behalf. “How to Let Go and Let God” is right on time for the days we live in. Individuals, couples and families would do good to read this book.” ~ Pastor Ced Reynolds

If you are surrendering to prayer (having discussions with God) then why are you doubting God? And if you’re doubting what you just prayed, why do it at all? Is it because you’ve been told to pray and it’s just a habit but you don’t really have the faith to believe? Are you willing to go through the process? I believe relief comes based on how you go through the (faith) process, that determines your outcome.

We all at some point in our lives will experience a “Job” moment, maybe not as tragic as his, however, a trial is a trial. It’s at that moment, we must determine whether we choose whether or not to wallow in self pity or seek God for His infinite wisdom and guidance and ultimately, let go.

When we let go (give it over to God), it is only then that will we receive the spiritual guidance we need in order to get past the pain, the unknowing and day in and day out challenges of this world.

Let’s face it, letting go and letting God is not an easy thing to do however, it’s a simple choice. You let go of the things you can’t fix, you let go of the battles that really aren’t yours, you let go of justifying the wrong reason to get selfish gratification.

How To Let Go and Let God, is a message of hope. It describes the pain Baker dealt with and how she got past it. It’s a testimony of God’s grace and mercy, that when we give it all over to Him, He’s faithful to give us the true understanding of what faith really means and how to adapt it in every area of our lives.

“How to Let Go & Let God,” is mind changing. Baker’s transparency and willingness to share her story of overcoming trials will bless the masses. If you are wrestling with issues in your life you must purchase this book today. You will not stop reading until you’re finished. And when you’re finished you’ll want more. “How To Let Go & Let God” should be part of your everyday earthly instructional reading. This book is now part of my Christian reference materials. Thank you for providing simple instructions on truly “Letting Go and Letting God”. ~ Nicole Cleveland
