Has a meal ever changed your life? Part love story, part wine-splattered cookbook, Lunch in Paris is a deliciously tart, forthright and funny story of falling in love with a Frenchman and moving to the world's most romantic city - not the Hollywood version, but the real Paris, a heady mix of blood sausage, pains aux chocolats and irregular verbs. From gutting her first fish (with a little help from Jane Austen) to discovering the French version of Death by Chocolate, Elizabeth Bard finds that learning to cook and building a new life have a lot in common. Peppered with recipes, this mouth-watering love story is the perfect treat for anyone who has ever suspected that lunch in Paris could change their life.
