Prepare yourself to be kidnapped...you might like it

In this thrilling historical romance, follow the seductive tale of Mary. A timid but beautiful and curvy wife of a prominent landowner, Mary has never known the touch of a man other than her boorish and dispassionate husband. Mary is resigned to a life of objectification and boredom, but all that changes during a fateful trip to an orchard on what she believes to be her husband's land. The sweet fruit pales in comparison to Thomas, the tall, masculine, dark, and mysterious soldier of a fellow landowning aristocrat. Locked in the middle of a land dispute and held captive by this dashing but fearsome soldier of fortune, will Mary's life descend into a chaotic horror, or will she be seduced into an adventure the likes of which she has never imagined? Lose yourself in the historical medieval backdrop of this story as the mundane life of Mary is transformed by this beautiful stranger. She will never be the same.
