One Richard Bach

What if we could talk face-to-face with the people we were in the past, with the people we are in parallel lifetimes, in alternate worlds? What would we tell them, and what would we ask? How would we change if we new what waits beyond space and time? In a journey with his wife, Leslie, Richard Bach travels to a realm where survival depends on discovering what the other aspects of themselves have learned on roads they never took; where imagination and fear are tools for saving worlds and destroying them; where dying is one step to overcoming death. One is Bach's most startling story yet, opening a mystical door on an alternative path to finding ourselves.
