Número Cero (A Vintage Español Original) (Spanish Edition)

Umberto Eco

Número Cero (A Vintage Español Original) (Spanish Edition) Umberto Eco

“Los perdedores y los autodidactas siempre saben mucho más que los ganadores. Si quieres ganar, tienes que concentrarte en un solo objetivo, y más te vale no perder el tiempo en saber más: el placer de la erudición está reservado a los perdedores”.

Con estas credenciales se nos presenta Colonna, el protagonista de *Número Cero*, que en abril de 1992, a sus cincuenta años, recibe una extraña propuesta de un tal Simei: va a convertirse en redactor jefe de Domani, un diario que se adelantará a los acontecimientos a base de suposiciones y mucha imaginación, sin reparar casi en el límite que separa la verdad de la mentira, y chantajeando de paso a las altas esferas del poder. El hombre, que hasta la fecha ha malvivido como documentalista y que, en palabras de su ex mujer, es un perdedor compulsivo, acepta el reto, y arranca la aventura. Reunidos en un despacho confortable, Colonna y otros seis colegas preparan el *Número Cero*, la edición anticipada del nuevo periódico, indagando en archivos que esconden los secretos ocultos de la CIA, del Vaticano y de la vida de Mussolini. Todo parece ir sobre ruedas hasta que un cadáver tendido en una callejuela de Milán y un amor discreto cambian el destino de nuestro héroe y el modo en que los lectores vamos a mirar la realidad, o lo que queda de ella.
