Some books entertain the readers; some others enlighten them. Some educate and some others elevate them. This book on the subject of numerology based on the research done with chaldean system of numbers entitled "SCIENCE OF FORTUNE" does all those things! It is the brainchild of the author who may be truly called Father of Numerology in this part of the country. It,s Tamil edition " Adhrushta Vigyanam" first published in 1954 by Pandit Sethuraman created a lot of sensation all over the world. It was reprinted twenty six times until 2013 without any publicity or promotion. The same work translated into English as "Science Of Fortune" by Pandit,s son and disciple Sri.V.S.Guruswamy who himself is a numerologist of world renown,has also added some interesting chapters and illustrations . The English version was broughtout in the year 2003 and it has sold ten editions until 2013 without any publicity and only by word of mouth of the readers. Based on several years of intensive study and research into the mysterious but astounding role the numbers play in human lives, the author has discovered a definite pattern of events in human lives, which corresponds to their dates of birth and names. First time in the history of predictive sciences in the world, only Pandit Sethuraman gave readings beyond the number 52 and upto 108 having based the interpretations on the wide array of ancient scriptural and spiritual works in his possession. He explains in the book how people should have spellings of their names and arrangement of letters based on their dates of birth. Also it taught to ascertain the timing of their activities. He also gives exhaustive suggestions regarding the secrets of perfect timing to improve one's fortune. He asserts that keeping names in harmony with the date of birth has proved that it could bestow happiness and fortune even on hitherto unfortunate people and that it can cure certain complicated diseases that have been believed to be incurable by the medical profession. The wide clientele of the author comprising of kings, presidents, ministers, scientists, industrialists and also people from other walks of life prove that the magic of numbers could play an important role in everybody's life to attain success. This eBook was broughtout mainly to propagate this predictive science even in the remotest parts of the world to help everyone to achieve success and live in harmony. To any one who is in need of an authentic and reliable ready-reckoner on the subject of Numerology, "Science of Fortune" is the only choice and best guide.
