Wardbreaker: An Urban Fantasy Novel (The Lillim Callina Chronicles) J.A. Cipriano

A city full of vampires. A dark ritual. A runaway determined to stay hidden.

Lillim Callina was still trying to figure out how to live like a normal girl when the vampires attacked. Now, this former demon hunter must decide if staying hidden is more important than saving her new home from the largest vampire infestation she has ever seen.

The only problem is, if she stops the vampires, the people hunting her just may find her, and they aren't too fond of deserters.

Wardbreaker is the first prequel in *The Lillim Callina Chronicles*, an urban fantasy series and takes place approximately one year before the first book, *Kill it with Magic*. Readers who enjoyed Jim Butcher's *The Dresden Files*, Patricia Brigg's *Mercy Thompson* series, or Kevin Hearne's *The Iron Druid Chronicles* will likely enjoy this paranormal adventure.

Book 1: Kill it with Magic (ASIN: B00NLZMRO8) is on sale for only \$2.99!

Book 2: The Hatter is Mad (ASIN: B00S6LHI46) is on sale for only \$2.99!

Book 3: Fairy Tale (ASIN: B00S6W8F0G) is on sale for only \$3.99!

Interview with the Author

Q - So, what makes the Lillim Callina Chronicles series special?

A - The urban fantasy series is my take on the genre after a decade playing pen and paper RPGs. At its core you'll find a story about a young girl who must come to terms with not only her powers, but every kind of monster imaginable from vampires and werewolves to psychotic demons. I was once told this paranormal action adventure thriller was an over-the-top, insanely fast-paced, urban fantasy tale with EXTREME ACTION where you never quite know who is going to do what.

The Lillim Callina Chronicles books are a great mix of genres, set in a slightly dystopian fantasy world full of supernatural factions that keep things interesting.

Q - Do I have to read these books in order?

A - Not necessarily. While I recommend readers start with *Alone in the Dark*, *Wardbreaker*, or *Kill it with Magic*, the series is designed in such a way that a reader could start with *Hardboiled* if they so choose. I have also been told that some readers actually prefer to start with *The Hatter is Mad*, although I'm not quite sure if that works. The sequence of novels is:

- *Alone in the Dark* (short prequel)

- *Wardbreaker*
- *Kill it with Magic*
- *The Hatter is Mad*
- *Fairy Tale*
- *Pursuit*
- *Hardboiled*
- *Mind Games*

Q - So, why should readers give these books a try?

A - Because the Lillim Callina Chronicles takes off and never stops charging forward! The books will give the readers a chance to connect with a girl as she struggles to be a hero and do the right thing even when every situation forces her to question herself and her choices.

If you enjoy books paced at hypersonic speeds and plots that will surprise you all the way until the last page, you'll enjoy this urban fantasy adventure series.

Thanks for reading!
