Everyone that regularly plays the horses is in constant pursuit of the player's holy grail: the humongous longshot. Many of the authors from the first 2001 edition of Bet With The Best have gathered together again to contribute their expertise on where and when these high-priced horses can be found. By using various successful and proven handicapping theories and angles, the reader learns how to uncover live horses that regularly return boxcar prices while most of the racing public still remains in the dark.
