In this wonderful age of technology, it has become easier for bullies and haters to emerge in large numbers, hiding behind their computer screens and Smart phones and using such devices to wreak havoc on our sanity and security. Such devices have empowered people, not only in the business world but in the personal realm as well. We all have these haters in our lives for various reasons, and it becomes easy to let them hurt us and make us feel insecure about who we are. But it doesn't have to be this way; we can take steps to overcome by realizing a few simple truths about human beings and ourselves. This is the first book of the You-Are-Not-Along series.
