Elizabeth Cady Stanton: An American Life

Lori D. Ginzberg

Elizabeth Cady Stanton: An American Life Lori D. Ginzberg

Elizabeth Cady Stanton was a brilliant activist-intellectual. That nearly all of her ideas—that women are entitled to seek an education, to own property, to get a divorce, and to vote—are now commonplace is in large part because she worked tirelessly to extend the nation's promise of radical individualism to women.

In this subtly crafted biography, the historian Lori D. Ginzberg narrates the life of a woman of great charm, enormous appetite, and extraordinary intellectual gifts who turned the limitations placed on women like herself into a universal philosophy of equal rights. Few could match Stanton's self-confidence; loving an argument, she rarely wavered in her assumption that she had won. But she was no secular saint, and her positions were not always on the side of the broadest possible conception of justice and social change. Elitism runs through Stanton's life and thought, defined most often by class, frequently by race, and always by intellect. Even her closest friends found her absolutism both thrilling and exasperating, for Stanton could be an excellent ally and a bothersome menace, sometimes simultaneously. At once critical and admiring, Ginzberg captures Stanton's ambiguous place in the world of reformers and intellectuals, describes how she changed the world, and suggests that Stanton left a mixed legacy that continues to haunt American feminism.

Consequently there are a lot of benefits that you will get when one buys this book.

Valentin Gonzalez:

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Elizabeth Cady Stanton: An American Life can make you sense more interested to read.
