Scrapyard Ship Series Books: 4 - 7 (The Scrapyard Ship Boxset Book 2) Mark Wayne McGinnis

This series has over 1000 five star reviews! 100,000s of copies sold. Series has nearly 2000 pages of combined lightning-paced action. Readers are describing this series as: A fierce, sparkling and enchanted SciFi tale!

Realms of Time (Book 4)

Welcome to the fourth installment of the Scrapyard Ship series, Realms of Time. Captain Jason Reynolds and his team are up against a new, and unexpected foe—an adversarial force that has every intention of aligning with the powerful and dreaded Craing Empire.

The enemy strikes from Earth's high orbit, deploying five time-shifting spheres. The spheres are strategically positioned to link-up and set Earth's clock back 100 years into the past. But when that course of action is interrupted by The Lilly's crew, the results become far worse. Fluctuating time realms rapidly spread across the globe and threaten to rip the planet apart. Join Jason, Billy, Traveler, Ricket and Dira on their mission as they literally travel to the ends of time to bring Earth back to the twenty-first century.

Craing Dominion (Book 5)

The Wild Wild Wild ride continues ... Welcome to Craing Dominion, Book 5 of the best-selling Scrapyard Ship series.

Truly dark times have come to the Allied forces, the crew of The Lilly, and Earth — we knew they were coming but nothing will have prepared you for this ...

With the introduction of Craing commander Ot-Mul, there's a new standard for evil that will not only shape the rest of this series, but Science Fiction literature as a whole.

Join Captain Jason Reynolds as he ventures into the proverbial lion's den in a last ditch effort to even the playing field with the Craing — an empire that has embarked on a pursuit that will guarantee their de facto dominance for millennia to come.

The Great Space (Book 6)

They knew the day would come—the day when Earth itself would come under direct attack by the Craing. After destroying much of Jhardon and the Mau planet of Carz-Mau, an elite Vanguard fleet of seven Craing dreadnaughts, planet killers, enters Earth's orbit. Captain Jason Reynolds and the crew aboard his Caldurian ship, The Lilly, are once again pulled into action to fend off what just might be their most ruthless and powerful adversary yet. In an unanticipated turn of events, thousands of molt weevils are unleashed on Earth, swarming insectoid aliens with one intent ... kill every man, woman, and child on the surface of the planet. Nan and Mollie must utilize their own cunning and resourcefulness to stay alive long enough to be rescued.

Call To Battle (Book 7)

Welcome to the final, heart-pounding, episode of the Scrapyard Ship series books. It's all about to end in one

climatic crescendo.

The story continues, with Captain Jason Reynolds, and his team: Billy, Rizzo, and the rhino-warrior, Traveler. They must attempt to rescue Ricket and Gaddy, still held captive aboard the impregnable Dreathlor prison barge. Only then, can Jason return to The Lilly, his highly advanced Caldurian vessel ... where it all began.

The elusive Admiral Ot-Mul, leader of the Craing Drac-Vin forces, has not only survived, but thrived, in the far, outer-reaches of space. With hundreds of thousands of warships under his command, Ot-Mul's combined fleets are on the move. But, in truth, he cares about little else than making one man suffer ... Captain Jason Reynolds.

With the approach of an enormous fighting force on the horizon, it's the last call to battle. Will the decimated Allied worlds reunite one more time? Will Ot-Mul get his vengeance, by taking those most dear to Jason—Mollie, Boomer, Nan and Dira—and use them to rip Jason's world, his very existence, apart?
