WHAT IS THE SECRET TO KEEPING A LOVE AND SEX RELATIONSHIP ALIVE, GROWING CLOSER AND HOTTER?

Best-selling dating and relationship author Amanda Love reveals her love and sexual history and what she learned as a "second wife" in Thailand.

Amanda gives her secrets for understanding what makes a sex relationship sizzle and get hotter!

Amanda tells her own story:

Now I am a mother and a wife, but I spent ten years in a clandestine, close and exploratory sexual relationship with a married man.

I met this man and we fell in love. His wife had abandoned him for another man but would not grant a divorce. So we were as close as we could be within those limitations. I was young and wild and free and lived a full life. I enjoyed what I did and I have no shame. As part of my education, my friend had me trained by professional masseurs and what he called "consultants" — what you might call "professional sex experts." All that I learned about pleasing men I will share with you.

In this book you will find practical advice like this:

- **A partnership with your man takes time and attention — I teach you how to be that**

attentive lover and partner. To really please a man you have to stroke his body and his ego and understand how he thinks. Since the greatest erogenous zone is the mind, this book talks about what your man wants, how to get him to say what he really feels, and then let your understanding and communication bring you closer in all aspects of your life, including between the sheets (or where ever you make love!)

- **The A, B, C's Of Loving Sexual Relationships = The "A" is "Always Be Learning What He Wants And Sharing What You Want!"**
- **The "B" is "Be Your Sexy Self, Free And Funny!"**
- **The "C" is "Cover Me, I'm Going In — Charge In To A Better Love Relationship!"**
- **Tip's Love Tip #1: What Does He Want, What Do You Want And How Can You Both Get It? My experience is that men want share their hearts if they can do it without experiencing the mockery they get from "the guys" down at the saloon if they show emotion. Here are some techniques I have used to get insight into my man's mind and heart.**
- **Tip's Love Tip #2: "If You Complement Him When He Makes An Effort To Be Handsome, He Will Do It More."**
- **Tip's Love Tip #3 "Your Body Is A Wonderland." I like that idea that his body is like a theme park and the mind is the cleverness that we bring to your love and relationships. So explore his body and yours. Take time for mutual massage and touching.**
