"Embrace the darkness, welcome the fury, savour the anger..." After their escape from Goldoria, Emelia and her companions begin their journey into the swamps of Ssinthor. A land ravaged by ancient sorcery, it is a place of secrets and danger. Deep in the mists an insane lizardman sorcerer wields the green crystal to devastating effect. As darkness threatens to tear them apart they must somehow challenge the awesome power working against them. Far to the west Aldred and his new comrades travel to Artoria on a mission to save his cursed father. A chance encounter with a seer throws them into an impetuous diversion deep into the Emerald Mountains, where a terrible foe awaits. Hidden in the secret recesses of a ruined fort a crystal of blackest sorcery awaits its former master, Vildor, Lord of the Ghosts. And the time has come for him to reclaim its power. Darkness Rising- Secrets is the third book in the original epic fantasy series that reviewers are describing as 'epic and spellbinding.' It is a must read for fantasy fans the world over. About the series... "Ross M. Kitson has built a complex and convincing world here. Frankly, I wouldn't recommend just picking up just the first book, or even the first two books. Get all three, because you'll be chain-reading them." D Brzeski (British Fantasy Society) "Totally gripping... I was completely absorbed and loved reading every minute of it." Amazon review "Each page is a new rush of tension, mystery, and adrenaline." Amazon review "Richly imagined, well written and thoroughly absorbing." Amazon review
