## **Mind Play: A Guide to Erotic Hypnosis** Mark Wiseman

All kinds of people are secretly (or not so secretly) fascinated by the erotic possibilities of hypnosis. Many of us know that hypnosis doesn't really have the kind of mind-melting power we see in movies. Still, we can't help but get turned on at the thought of either controlling someone, or being controlled by someone, into doing things we've been told we shouldn't do ... but really, inside, kind of want to.

In this book, Mark Wiseman (Wiseguy) will teach you how to put your partner into a hypnotic trance safely and effectively. Then the fun begins as you learn how to:

- Create or intensify arousal and desire
- Turn their entire body into an erogenous zone eager for your touch
- Get kinky with hypnotic bondage, flogging, or tickling
- Give them intense pleasure using his Five-Point Palm Exploding Orgasm technique
- **and more!**

Whether you are new to hypnosis or have already learned the basics, *Mind Play* will give you the tools you need to become a skilled, responsible erotic hypnotist.
