Out of his comfort zone.... One of the Emperor's Hunters working deep in Legion territory, Ben is a werewolf in a land of vampires. But there are more frightening things than vampires and werewolves, things that make the centuries-long grudges of Clan politics seem like petty squabbles, and it is this danger that Ben must face. It may destroy him, as he is torn apart from the inside by the very tenacity that had helped him to survive in other times. His mind and his life will never be the same again, and this time, he cannot survive alone.
