Reflections on Patriotic Songs: Piano Solo Arrangements of Patriotic Favorites (David Carr Glover Christian Piano Library) Sid Richardson

The Reflections books are recognized for having arrangements that sound rich and full without making undue demands on the pianist. The tradition continues with these great-sounding patriotic songs. The collection contains 16 titles, each an important part of the American heritage. Sid Richardson's arrangements are sensitive to the character of the piece: the reflective songs are gentle, but the strong-spirited songs are full of energy. Appropriate for a variety of performance venues, and great for getting improvisation skills 'into the fingers.' This is a collection that will quickly prove its worth.
