We live in a world where the spiritual is superimposed on the physical, with the physical dovetailing into the spiritual. People who allow events in their lives to pass without connecting them to spiritual issues, not only don't understand what is happening to them, they also can't do anything to change their world. Nothing in this world happens by chance. Not with God, nor the devil. In Ecclesiastes 8:4-6, we read, "Where the word of a king is, there is power: and who may say unto him, What doest thou? Whoso keepeth the commandment shall feel no evil thing: and a wise man's heart discerneth both time and judgment. Because to every purpose there is time and judgment, therefore the misery of man is great upon him." In the realm of the spirit there are no accidents. There are certain spiritual truths you should know before you start dating, having sex, or start thinking about marriage. Ignorance of spiritual matters may become a source of problems for you and your descendants. If you violate any spiritual law without the appropriate atonement, you will incur its ramifications. Currently, our sexuality is under tremendous attack. Spiritual marriages to demonic entities have become a source of hidden problems in our relationships. This manual along with a companion book, "Killing Me Softly," exposes, and helps you deal with evil enforcers assigned to fight against your home, and family.
