Orchid Blues: Holly is on her way to be married to Jackson Oxenhandler, her steady beau, when her wedding day is shattered by a serious crime that takes place very close to home. A highly disciplined team of men hit a bank in Orchid Beach, Florida, and the waves from this robbery nearly capsize Holly's life. She vows to find these men - who have been careful enough to leave nothing behind except the corpse of a bank customer - and quickly, she discovers evidence that leads her into the midst of what appears to be a politically motivated clan. Her father, Ham, a retired Army chief master sergeant, is her ticket into this strange world, and what Ham finds there stuns both Holly and her FBI contact, Harry Crisp. Blood Orchid: This time out, Holly is trying to get her life back together after the shattering loss of her fiancé. With the help of her wily Doberman, Daisy, and her father, Ham, she throws herself back into the job with a vengeance. But before Holly can settle into her routine again, bullets crash into the home of a friend and a floater is found bobbing in the Intercoastal Waterway. Joining forces with a handsome FBI agent, she tracks the clues straight to their source, only to find a scam more lucrative and more dangerous than any this idyllic town - or Holly - has ever seen.
